AGENDA ITEM

1. Consider CPR Instructor Training for 2 Ambulance Employees – Kruger the ambulance director would like to attend and get CPR certified to be a instructor along with Katie Johnson. She stated currently they outsource renewals; the Lakefield ambulance owns all the materials and equipment needed to hold classes and do renewals. Rademacher stated this would benefit the seasonal employees including lifeguards and concession workers, due to timing and dates it is difficult to get an instructor when needed. Behr stated she will be getting her CPR instructor renewed in March also. Hussong-Reasoner stated that this is a great opportunity and possibly for the instructors to hold classes for the community. A motion to approve Kruger and Johnson to obtain CPR instruction certificate with the city paying the \$180 per person (\$360) made by **Hussong-Reasoner/Paplow**. All in favor. Motion carried.

OLD BUSINESS

1. Mayor Condon stated the south sidewalk and steps for city hall are in despite need of repair. They had deteriorated over the winter; he is hopeful that there will be funding for replacement and construction can start late spring/summer when the street project is happening.
